## At the Boys & Girls Clubs of Hartford Child Safety is Job No. 1

### The Safety and Wellbeing of Young People is Our Number One Priority

We work every day to create a safe, fun environment so kids can have every opportunity to be successful in life. We have ZERO tolerance for inappropriate behavior of any kind, including child sexual abuse or misconduct, and we put resources behind that stance.

**Culture of Safety:** We continually updates robust safety policies, programs and training for our staff and volunteers that are designed to promote child safety and protect young people from threats that are present in our society. We implement layers of safety policies and guidelines to keep our kids safe including:

- All Visitors must sign in and out of the facility
- No parent or visitor is allowed to walk through facility without escort
- Anyone picking up a child must be on the approved list and show ID
- Safety policies are reviewed and updated regularly

**Safety Policies:** Boys & Girls Clubs of Hartford has comprehensive safety policies in place that protect youth – including, but not limited to, supervision, transportation, communication and prohibiting private one-on-one contact.

**24-hour Toll-free Child Safety Hotline:** We encourage all staff, members and families to report any incident or situation they feel is unsafe. Through our national partnership with Praesidium, one of the nation’s leading safety experts, Boys & Girls Clubs of Hartford members and staff have access to a confidential 24-hour toll-free Child Safety Hotline, 866-607-SAFE (7233) or email SafeClub@Praesidiuminc.com.

**Mandatory Background Checks:** Mandatory criminal background checks are required every year for every staff and board member at Boys & Girls Clubs of Hartford. In addition, criminal background checks are required for any volunteer who has direct contact with children. All potential employees and volunteers are also run through the First Advantage.

## Member Internet Code of Conduct Policy

The Boys and Girls Clubs of Hartford adopts this policy in order to maintain a safe and secure environment for Members, staff, volunteers, and others.

A personally owned device shall include all member-owned existing and emerging technologies and devices that can take photographs; play and record audio or video; input text/ upload and download content and/or media; and transmit or receive messages or images.

Emerging technologies and devices include but are not limited to cell phones, computers, tablets and storage media (e.g., flash drives) as well as communication tools including social media sites, text messages, chat, and websites.

Not all devices are covered within this policy. Unacceptable devices in this policy include, but are not limited to, gaming devices or consoles, laser pointers, modems or routers, and televisions.

Club purposes include program activities, career development, communication with experts and/or Club peer members, homework and Club activities. Members are expected to act responsibly and thoughtfully when using technology resources. Members bear the burden of responsibility to inquire with staff when they are unsure of the permissibility of a particular use of technology prior to engaging in the use.

Personally owned devices are permitted for use during Club time for Club purposes and in approved locations only. The Club expressly prohibits use of personally owned devices in locker rooms and restrooms and other areas where there is an expectation of privacy.

Any inappropriate use of a personally owned device, as determined by Club staff, can lead to disciplinary action including, but not limited to, confiscation of the device, immediate suspension from the Club, termination of membership, or other disciplinary actions determined to be appropriate to the Club's existing disciplinary policies including, if applicable, referral to local law enforcement.

Inappropriate communication includes, but is not limited to, the following: obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language or images typed, posted, or spoken by members; information that could cause damage to an individual or the Club community or create the danger of disruption of the Club environment; personal attacks, including prejudicial or discriminatory attacks; harassment (persistently acting in a manner that distresses or annoys another person or stalking of others; knowingly or recklessly posting false or defamatory information about a person or organization; and communication that promotes the destruction of property, including the acquisition or creation of weapons or other destructive devices. If a member is told to stop sending communications, that member must cease the activity immediately.

Members may not utilize any technology to harass, threaten, demean, humiliate, intimidate, embarrass, or annoy their peers or others in their community. This behavior is cyberbullying, bullying that takes place using emerging technologies and devices. Examples of cyberbullying include mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles. Any cyberbullying that is determined to disrupt the safety and/or well-being of the Club, Club Member, Club Staff, or community is subject to disciplinary action.

Members must be aware of appropriateness of communications when using Club or personally owned devices. Inappropriate communication is prohibited in any public messages, private messages, and material posted online by members.

Monitoring and inspection: Boys and Girls Clubs of Hartford reserves the right to monitor, inspect, copy, and review a personally owned device that is brought to the Club. Parents/guardians will be notified before such an inspection takes place and may be present, at their choice, during the inspection. Parents/guardians may refuse to allow such inspections but the member may be barred from bringing personally owned devices to the Club in the future.

Loss and damage: Members are responsible for keeping to device with them at all times. Staff are not responsible for the security and condition of the member's personal device. Furthermore, the Club shall not be liable for the loss, damage, misuse, theft or any personally owned device brought to the Club.

Parental notification and responsibility. BGCH's internet acceptable use policy restricts the access of inappropriate materials and while using the internet supervision of usage may not always be possible. Due to the wide range material available on the internet, some material may not fit the particular values of members and their families. Because of this, it is not practical for BGCH to monitor and enforce a wide range of social values in student use of the internet. If parents do not want members to access information beyond the scope of the internet acceptable use policy, parents should instruct members not to access such materials.
